

Competitive Industrial Monitor All-in-One Panel PC Computer with Windows/Android 8.1

Our Product Introduction

for more products please visit us on allinonepccomputers.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Wpna
- Certification: FCC, CE, RoHS
- Minimum Order Quantity: 5set
- Price: \$236.00/pieces 2-99 pieces
- Packaging Details: carton, bubble bag, stetch film
- Supply Ability: 10000 Piece/Pieces per Month

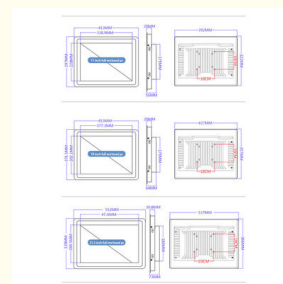

Product Specification

- Products Status: Stock
- Type: Industrial Monitor
- Product Name: Capacitive Touch Industrial Panel Pc
- Touch Screen: Capacitive Touch Screen
- Interface: VGA/HDMI/USB/RJ45/COM/Audio
- Application: Industrial Application
- Operating System: Windows/Android 8.1
- CPU: J1900 Quad Core/RK3288
- Storage: 32G/64G/128G/256G SSD
- WIFI: 300M Built-in Wifi
- Power Supply: DC12V/5A
- Warranty: 1 Year
- Port: Guangzhou Huangpu
- Highlight: capacitive touch touch screen panel pc,
capacitive touch industrial touch screen pc

Product Description

Product title

Competitive price 17 inch i3 i5 i7 CPU assembled desktop Personal industrial touchscreen all in one panel pc computer

Products Description

Parameter

	Product name	Industrial Tablet PC
Product form	size	10.4/12.1/13.3/15/15.6/17/18.5/19/21.5Inch
	Overall weight	3-7KG
CPU	Intel	Intel Core J1900/i3/i5/i7(Optional)
GPU	integrated graphics	Intel HD Graphics
RAM	DDR3	4GB\8GB DDR3 1600MHz
SSD	MSATA SSD	64GB/128GB/256GB/512GB
display	17Inch	Resolution 1024*768 scale 4:3
HDMI port	Audio and video output	HDMI support 1080P 60Hz 2K 60Hz 4K 30Hz
VGA port	Audio and video output	VGA support 1080P
COM port	Data input and output	1xCOM Negotiable

Standard accessories

	Standard configuration	
enclosure	The power adapter x1	12V
	power cord x1	

FIUSH BONDING ● ○

Fully enclosed embedded industrial control touch ALL-IN-ONE MACHINE

Upgraded version of a new generation of embedded.
Fully enclosed industrial computer with
coexistence of beauty and strength.

High-definition
display

ten-point
touch

high and low
temperature resistance

all-weather
machine

Dustproof
and waterproof

wireless WiFi
module

Anti-magnetic
interference

Silent energy
saving

Wide application to all ranges of industries

The whole machine has good reliability and environmental adaptability

Industrial protection technology

Easily adapt to various harsh environments
and meet high standard operation requirements

...

High dust
environment

High and low
temperature environment

Electrostatic
environment

High oily
smoke environment

HD LED Screen, wonderful view

Industrial control high-definition A-gauge screen,
refusing to flash screen,
showing excellent picture quality, full display picture and gorgeous
color, It has the characteristics of high resolution,
high contrast and high brightness

...

1000:1
Contrast rate

250cd/m²
LED brightness

1280*1024
HD Resolution

WDMA

Ten-point touch control at will

Using the original touch screen, the resolution is high,
the response is more sensitive,
there is no blind spot and the experience is
superior The surface has smooth and matte treatment and high stability

...

Efficient Heat Dissipation System

Military-grade cooling system saves more than 5% energy
than ordinary touch integrated machine;
Aluminum alloy fuselage Reasonable layout of heating
components to ensure that the internal heat and temperature
can be effectively exported

...

continuous running of 24 hrs

With 7 * 24 hours long-term continuous operation platform capability, provide a stable working environment, through the BIOS Power-on and power-on function can be set, which can still run stably in unstable environment

...

Endurable low temeprature against high temperature

The whole fuselage is cast by metal cold-rolled plate, and the cold-rolled plate is designed with back cover and back heat dissipation, which is maintained The working temperature is stable, and the host runs for a long time, which protects the life and stability of the whole machine

• • •

-20~60°C
耐高低温范围

Anti-dust& waterproof

IP65 waterproof panel, fully enclosed back cover design,
can effectively prevent dust and water tains from entering
the host Extend the service life,
improve the running stability of the machine, and easily
cope with the harsh industrial environment

...

0.0005 Micron

Moisture Index

Anti-interference, stable operating

Comply with EMC anti-electromagnetic interference standards and adapt to various industrial sites Outdoor signal interference and other environments

• • •

anti-interference
signal

anti-magnet

anti-
strong brightness

PORTS SURFACE

Rich equipment interface, support expansion and installation and special interface customization, please contact customer service for details

• • •

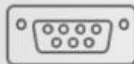

NOTE: THE CONFIGURATION OF DIFFERENT INTERFACES MAY BE DIFFERENT, PLEASE REFER TO THE ACTUAL RECEIVED

USB

USB2.0×2
USB3.0×2

VGA

Defaults to an external
VGA displaysupports
simultaneous dual display

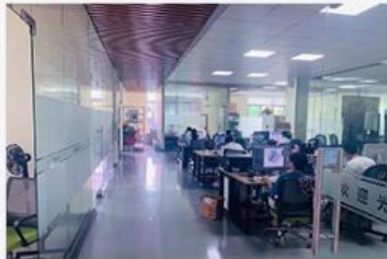

COM

The default is a copper
9-pin serial port,
if you need to customize
more COM ports,
please contact customer service

ABOUT US

Guangzhou Weipuna Technology Development Co., Ltd. is a factory manufacturer that mainly produces advanced high technology products of R&D, manufacturing and sales of all-in-one computer, mini PC, touch screen monitor, smart teaching& conference panel and laptop computer. Under joint efforts of our professional R&D technology team, we will commit to manufacturing and providing more high end products to global market in the future

FAQ

Q1: Are you a manufacture or a trading company?

A: Dear, we are direct manufacture for 18 years. We have confidence to offer you satisfying products with better quality and better price.

Q2: Do you accept OEM / ODM order? A: Yes, we offer OEM / ODM service. On BIOS, PCB, slot color, Package, CD, instructions etc.

Q3: How many units in it?

A: 20pcs in one carton.

Q4: What payment method do you accept ?

A: T/T, L/C, Western Union is all ok. We suggest you could try Well-known international trade platform trade assurance at first, more beneficial for you.

Q5: Would you offer free samples?

A: Yes, we are glad that you have interest about our products. You are going to get available free samples in our stock.
