I3 Processor Intel Desktop Mini PC Win10 2 Ethernet I3 Micro Small Computer

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: WPNA
- Certification: CE/FCC/RoHs/ISO9001/CCC
- Minimum Order Quantity: 50 units
- Price: Negotiable
- Packaging Details: carton, bubble bag, stecth film
- Delivery Time: 15-30 WORKDAYS
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 10000 Piece/Pieces per Month

Product Specification

- Product Name: Mini Host
- Use: For Business
- Operating System: Windows 10/11/Ubuntu/Linux
- CPU: Optional
- RAM: 4GB/8GB/16GB/32GB Optional
- HDD/SSD: 128GB/286GB/512GB/1TB/2TB
- Warranty(Year): 1-Year
- After-sales Service: Return And Replacement
- Highlight: **brushed alloy shell desktop mini pc**, **windows 10 intel core i3 small form pc**, **oem desktop mini pc computer**

Product Description

I3 Processor Intel Mini Pc Win10 2 Ethernet Buy I3 Micro Desktop Computer

Product Parameter

CPU	N2840/N2940/J1800/J1900/J4125
Memory	4G/8G/16G/32G(optional)
hard disk	64G/128G/256G/512G/1TB(optional)
Operating System	Windows 7/Windows 8/Windows 10/Linux
front panel ports	2*LAN,1*HDMI, 1* Power Switch,1*VGA,1*AUD
Backside ports	2*COM, 2*USB3.0,2*USB2.0,1*SW
Output	DC 12V~19V/5A
Operating Temperature	0/70 Centigrade(32F~140F)
Storage Temperature	-20/+85 Centigrade
Relative Humidity	0%~90% (non-condensing)
Size	200*180*80mm
Weight	1.5KG

Product Highlight

- Brushed Full Aluminum Alloy Black color shell, fanless system without cooling fan, no any noise, work as long as 24 hours.
- Intel Celeron/4th/5th/6th/7th/8th Gen Core i3/i5/i7 CPU for optional.
- 6 x Intel i201/i211 Gigabit RJ45 LANs and 2 x RS232 COM ports.
- Can install MSATA SSD+2.5" SATA HDD together.
- One embedded SIM card slot onboard for 3G/4G Wi-Fi.
- Low consumption can save much energy and eco-friendly.
- Support Watchdog, AWAL, RTC, WOL, PXE, Reset functions.

Theory

  The Mini host uses a highly integrated miniaturized design to condense the computing core, storage module and functional interface into an extremely compact body. It adopts a low-power architecture and efficient heat dissipation solution to achieve fanless operation. With the help of intelligent power management and modular expansion technology, it can complete the full function output of the traditional host in a limited space. At the same time, it supports flexible deployment in multiple scenarios and ecological interconnection, achieving a precise balance between performance and volume.

Technology

  The Mini host adopts precision microelectronic packaging technology, integrating core components into a compact PCB through high-density SMT patch technology, combined with CNC one-piece metal frame to enhance structural strength, supplemented by laser etching for precise openings, and then undergoes multi-layer nano-coating for dust and heat dissipation treatment. Finally, it passes fully automated assembly and harsh environment testing to ensure stability and durability under the miniaturized body.

INTERFACE INTRODUCTION

6 COM/8 USB
MULTI-FUNCTION SUITABLE FOR VARIOUS SCENARIOS

LONG-TERM TRAINING

EQUIPMENT 7 * 24H LONG-TERM RUNNING FLATBED CAPABILITY,
PROVIDED BY THE STANDARD WORK ENVIRONMENT,
THE BIOS CAN BE INSTALLED, AND THE TELEPHONE CAN BE OPENED.

ANTI-SEISMIC PROTECTION   **CALLING DESK**   **ENERGY SAVING**   **RICH INTERFACE**

Usage

Home entertainment center: Connect to TV to transform into a 4K video library, support multi-platform game streaming, and create an immersive living room experience.

Mobile office tool: Carry it with you and plug and play, quickly build a dual-screen workstation, and turn the coffee shop/airport into an efficient productivity scene in seconds.

Smart home brain: 7×24 hours low-power operation, unified control of IoT devices, and automatic lighting and security linkage.

Education creation tool: Support programming teaching/digital painting/music production, and desktop creative center for students.

Commercial display terminal: Invisible driver of window advertising machine/digital signage, silently supporting high-definition dynamic visual presentation.

Geek experiment platform: Hardware development prototype, which can freely flash the system to test open source projects.

Emergency backup system: Disaster recovery tools pre-installed with multiple OS, replace faulty hosts at critical moments to ensure data security.

WIDE RANGE OF APPLICATIONS

SMOOTH OPERATION, STRONG EXPANSIBILITY, STRONG STRUCTURE, FLEXIBLE INSTALLATION, SAFETY AND STABILITY, AND WIDE APPLICATION FIELDS SUCH AS ARTIFICIAL INTELLIGENCE RESEARCH AND DEVELOPMENT, FULLY AUTOMATED INDUSTRIAL APPLICATION, SOFTWARE DEVELOPMENT, MACHINE VISION, COMMERCIAL APPLICATION, ETC. ARE WAITING FOR YOU TO EXPLORE.

TRAFFIC MONITORING

FOR RAIL TRANSPORTATION

AI SMART APPLICATION

MACHINE VISION

DATA COLLECTION

INDUSTRIAL INTELLIGENCE

BUSINESS MANAGEMENT

Company Information

COMPANY PROFILE

Guangzhou Weipuna Technology Development Co., Ltd. is a factory manufacturer that mainly produces advanced high technology products of R&D, manufacturing and sales of all-in-one computer, mini PC, touch screen monitor, smart teaching& conference panel and laptop computer. Under joint efforts of our professional R& D technology team, we will commit to manufacturing and providing more high end products to global market in the future

INSIDE COMPANY

PRODUCTION PROCESS

FAQ

Welcome to read the following questions carefully at first when you place order via the product link. Thanks.

Q: What Operating System is Mini PC I buy here?

A: Free Operating System: Default installed our trial activated OEM windows 10 pro English for free, other languages can be selected among: Russian,Spanish,Portuguese,French,German,Arabic,Italian,Japanese,Turkish,Greek etc. Please inform us which language you want to install. Other systems we can install free are like Linux, Ubuntu etc if you need. Seller is NOT responsible and makes no compensation for trial OEM system.

Q: What brand of Ram, SSD and HDD I buy here?

A: Accessories as Ram, SSD, HDD, we use famous brand: samsung, micron, SanDisk, toshiba, hynix, crucial, liteon, kingfast, phison etc, what brand we use depends on our test and our stock.

Q: Can I get some samples?

A: We are honored to offer you samples for quality check, MOQ is 1 set, welcome to order via the link directly.We also provide free OEM service for your sample order, just feel free to contact our Sales here.

Q: How does your factory do related quality control?

A: Quality is top priority. We attach great importance to quality control from the very begining of manufacturing and 3 Years Wareanty.

Q: How about Shipping?

1. We send to buyer's address specified on Aliexpress. Please check your address/city/ post code, making sure it's matched with you shipping address.

2. We can't control the delivery time because it is processed by Third-party service. If parcel has not arrive within expected

time, please contact us, we will extend the delivery date before open dispute.

3. Normally we shipping free by faster shipment such as DHL, EMS,Fedex,Our express agent special line,etc.it depends on different countries and different cases.but for those remote areas,we have to shipping free by registered post, it will be slower than EMS, DHL,Fedex,etc.you can also add extra fee for DHL EMS Fedex etc faster shipment, thanks for understanding.All goods will be packed to make sure they arrive at high condition.

Q: How about Tax?

1. Normally we declare item as MINI PC CASE or TV BOX with value(like $20-$100), buyers are fully responsible for paying fees involved, such as dispatching fees, storage costs, brokerage, taxes or VAT etc.

2. If you have special requirement of the value,please leave a message to us when you make order.

3. Due to the tax problem, buyer refuse to receive the goods, buyer need to be fully responsible for the freight back and

forth.Thank you for you cooperation.

Q: What's EGLOBAL's Warranty?

1. EGLOBAL Mini pcs have 3 years warranty service is completely reliable and professional technical team. Motherboard warranty time 3 years, ram, hard drive, accessories(excluding gift) etc warranty time 1 year.

2. Within warranty time, if mini PC appear non-human damages and quality problems, buyer return Mini PC or Mini PC components, we free repair/exchange Mini PC or Mini PC components (include RAMs, Hard Drive, Motherboard and other accessories). Within 1 month, seller bear all the shipping cost for return(maximum 15USD)and resend;Over 1 month to 1 year, buyer self bear the shipping cost for return and seller bear shipping cost for resend; Over 1 year to 3 years, buyer bear all shipping cost return and resend.

3. Within 15 days, we accept refund or exchange goods (buyer bear all the shipping cost, if non-human damages and quality problem,

we bear all shipping cost.

4. All time calculate from the day buyer receive goods.

Q: How to solve the product problem?

A: Welcome to contact our Sales about any problems, they will provide nice service to each customer directly.
