Core i7 i5 i3 Window 10 Desktop PC with GDDR4 Video Memory Type and 0.276mm Pixel Pitch
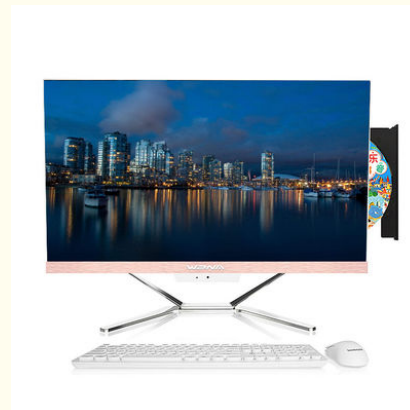

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: WPNA
- Certification: FCC, ce, RoHS, Sgs
- Model Number: L24
- Minimum Order Quantity: 25 units
- Price: Negotiable
- Packaging Details: carton, bubble bag, stecth film
- Delivery Time: 15-30 WORKDAYS
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 10000 Piece/Pieces per Month

## Product Specification

- Product Name: Compact Desktop
- Use: Home Theater
- Processor Type: INTEL/AMD
- Plugs Type: US, JP, CN, AU, UK, EU
- RAM: Optional
- Hard Drive Type: SSD+HDD Optional
- Operating System: Windows 10/11/Ubuntu/Linux
- Warranty(Year):   1-Year
- Display Ratio: 16:9
- Display Resolution: 1920x1080
- Mouse & Keyboard: Yes
- After-sales Service: Call Center And On-line Technical Support, Onsite Training And Inspection, Others
- Highlight: **1920x1080 all in one desktop pc**, **1920x1080 all in one pc computer**, **core i3 all in one desktop pc**

Product Description

  This all-in-one computer, with its fascinating high-definition display and streamlined ultra-thin frame, creates an immersive visual feast for you. Different specifications meet different space and visual needs, and support personalized configuration. You can choose high-performance independent graphics cards and other components according to your own usage scenarios. Whether it is browsing high-definition web pages, immersing in the world of games, or efficient multitasking, this all-in-one computer that combines elegance and power can easily handle it. Equipped with cutting-edge technology, it is not only a technological product, but also a capable partner to improve the quality of your digital life.

Selling Points

1. All-round multimedia experience:
Our high-end all-in-one computers not only have built-in DVD drives that support disc playback in various formats, but are also equipped with high-definition displays, providing unparalleled audio-visual enjoyment for your home entertainment and business presentations.
2. Personalized customization services:
From hardware configuration to appearance design, we provide comprehensive personalized customization options. Whether it is adding memory, upgrading hard drives, or customizing unique body logos and specially designed packaging cartons, we are committed to meeting the unique needs of every customer.
3. Environmental protection and durability:
Made of the latest environmentally friendly materials, this all-in-one computer not only ensures the durability of the equipment, but also focuses on reducing the impact on the environment. The low-energy design makes this computer more energy-efficient and efficient, saving electricity bills and reducing carbon footprint.
4. Seamless compatibility and ease of use:
The latest operating system is pre-installed and optimized for a variety of application scenarios to ensure seamless collaboration between software and hardware. The simple and intuitive operating interface allows every user to easily get started and enjoy the convenience brought by technology without a complicated learning process.

Technology

Precision integrated design: This all-in-one machine uses advanced integration technology to perfectly integrate high-performance computing components and DVD drives into a simple and smooth body.
Highly customized configuration: From high-performance processors to large-capacity solid-state drives, we provide a variety of hardware upgrade solutions to meet the personalized needs of different users.
Exclusive Logo and packaging customization: Using the latest laser engraving technology, while ensuring the clarity and durability of the Logo, it provides unlimited design freedom.
Intelligent optimization technology: Built-in intelligent power management and noise suppression system, effectively reducing energy consumption and improving user experience.

Specification

Model	I24
Size	23.8inch
Main Board	HM87
Processor	I3-4000M,I5-4200M,I5-4300M,I7-4600M
Memory	4G,8GDDR3
LAN	Gigabit Ethernet
Audio	Stereo Sound Output
USB	2*USB3.0,4*USB3.0
Graphics Card	Integrated Graphics Card
Hard Disk	64G,128G,256G,512G
Color	Orange
Adapter	12V7A
Camera	1.0 MP
Operating System	WIN7,WIN10
-Bluetooth-	Optional
Resolution	1920*1080
Speaker	High fidelity sound speaker
