# A7 7-Inch Factory price J4105 Quad-core Processor RAM12G 7-inch Touch Screen Mini Notebook Computer Business Office Learning Portable Computer

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: WPNA
- Certification: CE/FCC/RoHs/ISO9001/CCC
- Model Number: A7
- Minimum Order Quantity: 150 units
- Price: Negotiable
- Packaging Details: carton, bubble bag, stecth film
- Delivery Time: 15-30 WORKDAYS
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 10000 Piece/Pieces per Month

Product Specification

- Products Name: Ultrabook
- Processor Manufacture: AMD/INTEL
- RAM/SSD/HDD: Optional
- Series: For Business Trip Use
- Display Ratio: 16:9
- Display Resolution: 1920x1080
- Operating System: Windows 10/11/Ubuntu/Linux
- Feature: Backlit Keyboard
- After-sales Service: Call Center And On-line Technical Support, Onsite Training And Inspection, Free Spare Parts, Return And Replacement, Repair, Others
- Warranty(Year): 1-Year
- Highlight: **windows 10 ultra thin laptop**, **windows 10 ultra thin gaming laptop**

Product Description

A7 7-Inch Factory price J4105 Quad-core Processor RAM12G 7-inch Touch Screen Mini Notebook Computer Business Office Learning Portable Computer

Product Description

This mini notebook is thin and portable, only the size of a palm, but has powerful performance. The high-definition touch screen and full-size keyboard make operation smooth and comfortable. The ultra-long battery life supports all-day use, suitable for mobile office and learning. The built-in smart assistant improves efficiency. The stylish appearance and multiple colors are optional to meet personalized needs.

Features

This mini notebook combines portability and performance. It is lightweight and can be easily put into your pocket. It is easy to carry with you. It is equipped with a high-definition touch screen and supports stylus input, which makes the operation intuitive and smooth. It is equipped with an efficient processor, which runs fast and can handle multitasking with ease. The long battery life meets the needs of all-weather use. The built-in intelligent voice assistant improves work efficiency. The stylish metal body has outstanding texture and shows your personal taste. It is an ideal choice for both business office and daily entertainment.

Attraction

1. Long-lasting battery life:
The large-capacity battery supports long-term use without frequent charging, improving work efficiency.
2. Intelligent interconnection:
Built-in intelligent assistant, support voice control, simplify the operation process, and improve the convenience of use.

Our Product Introduction

3. Sturdy and durable:
Made of high-quality materials, durable and suitable for frequent mobile use.
4. Elegant Aesthetics:
Combines functionality with style through a modern minimalist design, available in various appealing colors to suit any taste.

Specification

Product form	Model	A7
	Color	Apple gray
	Material	ACD hardware shell, B shell is touch screen, with touch function
	Screen	7 inches, IPS display, resolution: 1280*800
	Size	Product size: 185*141*20mm
		Packaging size: 225*168*67mm, outer box size: 253*226*91mm
	Weight	Product weight: 0.67kg
		Package weight: 1.083kg outer box weight: 1.2kg
	Features	Keyboard with small red hat mouse, touch original handwriting handwriting screen
Battery	Type	High-density polymer lithium battery 7.4V/3000mA, use time more than 3 hours
CPU	type	intel celeron J4105
GPU	type	Intel® HD Graphics 500/505
Memory	DDR4	Motherboard onboard memory 12G
Hard disk	M2~2242 Specification	64G~2T
Camera	Front camera	200W/30fps high-definition built-in camera, support video calls
Bluetooth	support	Built-in BT4.2
WIFI	type	Dual-band WIFI, 2.4G/5G; WIFI supports 802.11b/g/n+BT4.0(Option)1*1 or ac/a/b/g/n+BT4.2(Option)1*1 or ac/ a/b/g/n+BT4.2(Option) 2*2 3165DW2 2.4G and 5G 1T1R Module
Microphone	type	microphone
	Specification	42db,2.2KΩ
Trumpet	Built-in speaker	trumpet
	Specification	Built-in 8Ω/1w speaker
TF memory card holder	Expand external storage	Micro SD
Standard USB interface	Expansion of external storage and data transfer	2xUSB3.0,
Headphone jack	Audio output	∮ 3.5mm standard headphone jack
HDMI interface	video output	HDMI-MINI
Power Adapter	Input plug type	12V-2A 100-240V 50/60Hz 0.8A
Expansion equipment	mouse	Support wired/wireless mouse
	earphone	support
	USB to RJ45 device	Support self-purchase
	stylus	Touch stylus level 2048/optional
Operating system	OS version	Windows 10 Windows 11 (Support various national languages)
10 pcs one pack size		485*355*187mm
10 pcs in a box weight		11.3kg
3C certificate number		2021010902404534
3C report number		A2021CCC0902-3771442

Service

1. **Fast customization service:** Support OEM/ODM production, it only takes 15 days from drawings to finished products, covering all categories of customization such as servers and edge computing devices, and providing one-stop packaging solutions.
2. **Efficient after-sales support:** Equipped with a professional after-sales team, quickly respond to customer needs, provide accurate technical support and maintenance services, and ensure that the problem is completely solved.
3. **All-round customer service:** From product consultation, usage guidance to troubleshooting, provide comprehensive services, aim at customer satisfaction, and establish long-term cooperative relationships.
4. **Dual-factory linkage advantage:** Metal and electronic dual factories collaborate, core components are independently produced, quality is ensured while reducing costs, and the whole machine is assembled within 72 hours.
5. **High delivery efficiency:** After the customer puts forward the demand, first customize the appearance of the chassis, then adjust the software compatibility, and finally synchronize production to ensure efficient delivery.

Technology

The notebook adopts modular design, supports hardware upgrades, and extends service life. It is equipped with an intelligent cooling system that adjusts the fan speed in real time to keep the temperature low and quiet. Built-in biometric technology supports fingerprint or facial unlocking to ensure data security. It achieves high-speed interconnection and meets the needs of mobile office.

Equipped with a new generation of desktop
intel J4125, the turbo frequency is up to 2.7GHz,
the processing speed is faster, the multi-task
switching is not stuck, and the office audio and
video is stress-free

Four-core four-thread
14nm advanced process

2.7GHz
max boost clock frequency*

10th
Intel 10th Generation

## Borderless, full-size keyboard

Equipped with "QWERTY" keyboard layout, chocolate
island style full touchpad function, moving pointer,
scroll area, support for left and right mouse buttons

Add more left and right button functions, compact and portable, easier to operate
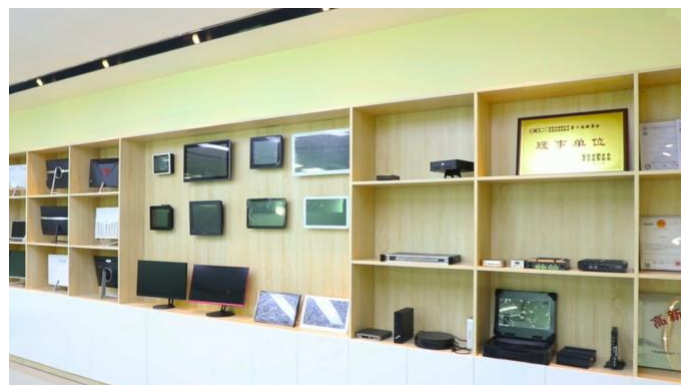

Integrated Little Red Riding Hood mouse, accurate positioning, improve efficiency

Complete interface types to meet daily needs

① Headphone jack ② USB 2.0 ③ TF card interface ④ USB 3.0
⑤ Power interface ⑥ HDMI interface

Company Profile

COMPANY PROFILE

Guangzhou Weipuna Technology Development Co., Ltd. is a factory manufacturer that mainly produces advanced high technology products of R& D, manufacturing and sales of all-in-one computer, mini PC, touch screen monitor, smart teaching& conference panel and laptop computer. Under joint efforts of our professional R& D technology team, we will commit to manufacturing and providing more high end products to global market in the future
