Frequently Asked Questions

Is your company a real manufacturer?

Yes, we are a professional manufacturer based in Guangzhou, specializing in all-in-one computers, mini PCs, and related products. We welcome factory visits.

How does your factory handle quality control?

Quality is our top priority. We implement strict quality control measures throughout production with comprehensive testing at every stage.

Can I use my own logo or design?

Yes, we support OEM/ODM customization to meet your specific requirements.

What is your delivery time?

Delivery typically takes 2-15 days depending on order size and configuration.

Note: Product price varies according to configuration. Contact us for customized solutions.
