Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Wpna
- Minimum Order Quantity: 1
- Price: \$108-126

Product Specification

- Display Ratio: 16:9
- Aspect Ratio: 16:9
- Screen Type: LED
- Pixel Pitch: 0.264mm
- Horizontal Viewing Angle: 170°
- Vertical Viewing Angle: 160°
- Response Time: 2ms
- Brightness: 300cd/m2
- Interface Type: VGA, HDM-I, Power
- Contrast Ratio: 800:1
- Panel Type: IPS
- Refresh Rate: 120 MHz
- Screen Size: 27-inch
- Input Voltage: 12V 2A
- Power Consumption: 25W

	Manual	1

6 MAJOR ADVANTAGES AND BETTER QUALITY

1

**BLACK AND WHITE
RESPONSE TIME**
2ms

No HDR darkfield

HDR darkfield

2

HDR DARKFIELD

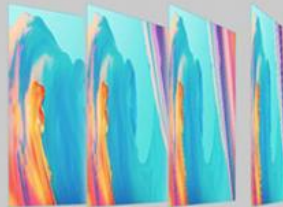

Dark field control function
One-click quick setting, dark
brightness is more saturated

3

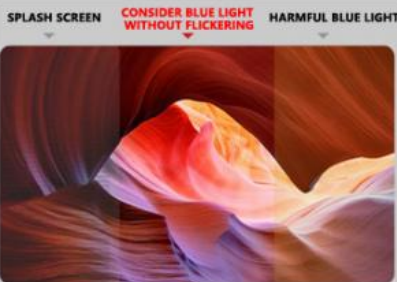

**MICRO BORDER
TECHNOLOGY**

A good screen enhances the
visual experience

4

VIEWING ANGLE 178°
ALL-ROUND VIEW

5

**CONSIDER BLUE LIGHT
WITHOUT FLICKERING**

High-definition
picture quality, pure
vision, enjoy

6

1.07 BILLION COLORS

No color correction required
1.07 billion display colors are
ten times that of 8Bit colors

HD QUALITY ENJOY THE PURE VISION

1920*1080P RESOLUTION, 75HZ REFRESH RATE, CREATE A PURE
FIELD OF VISION AND MAKE THE VIEWING EXPERIENCE
MORE PLEASANT AND RELAXING

Manufacturer Information

Hopestar is a China-based factory with 18 years of experience in display technology. Our 12,000 square meter facility in Guangdong employs nearly 200 skilled workers across 7 production lines, with a daily capacity of 7,000 units.

Quality Assurance: All products undergo strict quality control inspections before shipment.

Certifications: Our products meet CB, CE, FCC, and other international standards.

Global Reach: We export worldwide to Europe, North and South America, Middle East, Southeast Asia, and Africa.

Production Capabilities: We accept OEM/ODM orders with custom requirements, including logo placement.

After-Sales Service

We provide comprehensive support including:

- Call center and online technical support
- Onsite training and inspection
- Free spare parts for warranty claims
- Return and replacement services
- Repair services

Frequently Asked Questions

What is your company's main product?

We specialize in digital photo frames, tablet PCs, and advertising players, with extensive experience in display technologies.

What is the minimum order quantity?

While we primarily deal in wholesale, we accommodate small and mixed orders according to customer requirements.

What payment methods do you accept?

We accept T/T, Western Union, and Alibaba assurance trade payments.

Can I have my logo on the product?

Yes, we offer OEM/ODM services including custom branding and design modifications.
