15.6 Inch Ultra Thin Laptop Intel I7 128GB EMMC 4GB DDR4 Windows 10

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Wpna
- Certification: ce, RoHS
- Minimum Order Quantity: 1
- Price: $597-619

## Product Specification

- Display Resolution: 1920x1080
- Port: 2*USB3.0
- Hard Drive: EMMC
- Graphics Card: NVIDIA GeForce MX150
- Body Material: Plastic
- Panel Type: IPS
- Video Memory: 16GB GDDR5
- Operating System: Windows 10
- Thickness: 10-18mm
- Processor Frequency: 4.00GHz
- Processor Core: Quad Core
- WLAN: WiFi 802.11 Ac
- Screen Size: 15.6"
- Processor Type: Intel I7
- Weight: 1.9KG

Configuration Parameters

Model: KU53

CPU: Intel Core i7-8550U Core4.0HGz Quad Core(optional)

Graphics Card:NVIDIA GoFoerce MX150 2GB GDDR5

Storage: 8G/16G

SD:Adjustable capacity due to related packages(optional)

Screen:15.6Inch HDR 1920*1080

Keyboard:Full size white backlight keyboard

Internet:support 2.4G/ 5G frequency wireless WIFI, wire internet

Drive: no

Audio:Stereo Sound Speaker

Camera:1.3million Pixel Front Camera

Battery: 7.4V 4000mAh

Size: 350mm*240mm*12.5mm

Weight:1.9KG(without adapter)

Optional Configurations

Core i5-8250U / 16G / SSD256G / Graphics card MX150

Ample expanding ports to connect other devices

USB3.0   Network   USB2.0   SD Card Slot

HDMI   Power Supply   Audio

Ultra thin metal cover design, easy to carry

Thickness 12.5mm   Weight 1.90KG   15.6Inch   Lenght350mm width240mm

Experience of high speed continued

running status

16GB frequency rate storage& high speed SSD,

over 3 times speed to boot and game,

temendously accelerate running efficiency, fluently hold multi-task process

Real Testing data show as below:

4 times of reading speed of other mechanical SDs

SSD

133MB/S

Mechanical SD

14MB/S

Backlight Keyboard, Elegant Style

Floating Island Keyboard   **Three-level Backlight**   **Comfortable Key Travel**

Narrow Frame, Large Horizion

1920*1050 HDR Screen, equipped with 81.2% screen proportion,
widder display area,
15.6 inch vivid screen display for those game lovers

HD

1080 HDR Rate

**Narrow Frame and
Large Horizon**

IPS

IPS Wid View

Eighth I7 Suprem Power

8th Intel CoreTM i7-8550U Processor over
40% to last generation
meet the demand of office work, design and game etc.

Our Services

Quality improvement based on customer feedback

Efficient order processing and fulfillment

Professional pre-sale and after-sale support

OEM/ODM customization available

24-hour after-sale service

Frequently Asked Questions

Is your company a real manufacturer?

Our company is a professional manufacturer based in Panyu District, Guangzhou City, specializing in all-in-one computers, mini PCs, touch screen monitors, and laptop computers. We welcome visits to our facility.

How does your factory handle quality control?

Quality is our top priority. We implement strict quality control measures throughout the entire production process, with rigorous testing at every stage.

Can I visit your factory for inspection?

Yes, we welcome customer visits and factory inspections.

What if I'd like to use my own logo or design?

We support OEM/ODM customization to meet your specific requirements.

How long is the delivery time?

Delivery typically takes 2-15 days depending on order volume.
