Frequently Asked Questions

Q: Is your company a real manufacturer?

A: We are a professional manufacturer based in Panyu District, Guangzhou City, specializing in all-in-one computers, mini PCs, touch screen monitors, smart teaching/conference panels, and laptop computers.

Q: How does your factory handle quality control?

A: Quality is our top priority. We implement strict quality control measures throughout the entire production process with rigorous testing at every stage.

Q: Can I visit your factory for inspection?

A: Your visit is always welcome.

Q: What if I'd like to use my own logo or design?

A: We support OEM/ODM customization services to meet your specific requirements.

Q: How long is delivery time?

A: Delivery typically takes 2-15 days depending on order volume.

Q: What is your advantage?

- A: 1. Direct factory with strong R&D team and customization capabilities
2. 24-hour after-sale service to promptly resolve any issues
